KNOW BEFORE YOU ARRIVE

If your daughter is using the Alumnae Hall entrance: Merge into the new Drop-off and Pick-up Lane near the Stafford Street entrance. Students will walk to the Alumnae Hall entrance via the new walkway.

If your daughter is using the Inner Courtyard (Ramp door) or Academy Road entrances: Remain in the Through Lane until you reach your chosen Drop-off and Pick-up area, then merge into the Drop-off and Pick-up Lane.

Driving to a parking lot? Student drivers and faculty/staff should remain in the Through Lane and proceed directly to their designated parking lot.

GOLDEN RULES

Use the left lane only for drop-off and pick-up.

Pull forward as far as possible before stopping.

Students should be ready to enter or exit vehicle promptly.

Watch carefully for students, pedestrians, and other vehicles.
