INSTRUCTIONS

Step 1

Step 2

Complete the activities you have chosen. Answer Question #2 after completing each activity. Advice: Record your answers right after you have completed each activity or take notes so that when you are completing the video you can refer to your notes using your feelings from the day/activity.

Step 3

After All Service Activities

3. How will this experience change how you serve others in the future?

Digital Diary

- Name and include images of all your service activities.
- You must choose three service activities to present in the Digital Diary by answering questions 2 and 3 for each of these three activities.
- Your Digital Diary must be a minimum of three and half minutes to five minutes maximum in length.

SERVICE LEARNING

2021-2022

Service Learning is an integral part of a St. Mary's Academy education. In taking part in Service Learning students actively respond to needs in the community, church or school and they reflect on the experience. Service Learning does not receive any monetary rewards or remuneration. We are offering an assortment of options in a Bingo style format. Students are required to complete a minimum of one activity from each column between **July 1, 2021 and February 1, 2022**.
