

SERVICE LEARNING

2021-2022

Service Learning is an integral part of a St. Mary's Academy education. In taking part in Service Learning students actively respond to needs in the community, church or school and they reflect on the experience. Service Learning does not receive any monetary rewards or remuneration. We are offering an assortment of options in a Bingo style format. Students are required to complete a minimum of one activity from each column between **July 1, 2021 and February 1, 2022.**
