TRADITION OF THE SISTERS OF THE HOLY NAMES OF JESUS AND MARY.**

Career Opportunity

Resource Teacher

Start date: September 2, 2025

Term position until June 30, 2026, with possibility of extension

At St. Mary's Academy, our mission is to nurture young women in spirit, mind and body, so that each student reaches her full potential as an individual created in God's image. Our teachers are part of a consultative, collaborative community of professionals who strive to meet the needs of current learners in an ever-changing world. SMA believes in teaching and learning to increase student engagement; to enhance student skills in critical thinking, communication, creativity and collaboration; we support continuous learning and development of our faculty.

Professional Expectations

Mentor students to become strong and confident with the capacity to meet challenges and be contributing members and leaders in their community

Work in consultation and collaboration with classroom teachers and all student support team members to provide an effective and efficient academic support program for all learners

Collaborate with the Student Wellness Team and healthcare professionals to support student success

Maintain open lines of communication with families and teachers working in partnership on behalf of the learner

Foster a challenging and engaging learning environment committed to deep understanding and continuous improvement, thus preparing our students for the demands of post-secondary life

Exhibit a commitment to the use of differentiated and innovative instructional practices and tools that enhance deep, relevant and lifelong learning

Be receptive to guidance and support on holistic teaching pedagogy which is consistent with SNJM values and principles

Foster student success in direct consultation with students in curricular areas, and through co-curricular and extra-curricular involvement

Demonstrate meaningful participation in a professional growth and learning process for both short-term and long-term professional development

Position Overview

- Provide support in the differentiation and adaptation of instruction and assessment strategies to address the needs of diverse learners
- Assist all students to better utilize positive study strategies, and build students' self-awareness of personal learning strategies
- Bachelor of Education with certification at the Post-Baccalaureate level in Inclusive Education with a preferred minimum of three years' experience at the Grades 7 – 12 level
- Ability to teach Essential Math (gr 10 and 11) considered an asset
