Individual Music Lesson Program

St. Mary's Academy is pleased to announce a continuing partnership program with the Manitoba Conservatory of Music & Arts (MCMA) for the 2026-27 school year. This partnership will deliver individual music lessons on campus for SMA students. By hosting MCMA instructors in our school, we will be able to offer the highest standard of music lessons combined with convenience for students to attend music lessons in our building. We also view this partnership as an opportunity to enhance and support our current music programming.

HOW DOES IT WORK?

Individual lessons are available for:

- Voice (Wednesday)
- Violin (Thursday)
- Electric Guitar (Thursday)
- Acoustic Guitar (Thursday)
- Piano (Tuesday, Wednesday, Thursday)

Instruments will be available based on a minimum threshold of 2 students per discipline. If there is interest, other instruments may be added. Email info@mcma.ca with your request.

Lessons will be scheduled in 30-minute intervals on Tuesday, Wednesday, and Thursday afternoons after school.

Lessons will begin the week of **September 14, 2026** and the last lessons will be delivered the week of **May 25, 2027**.

No lessons will be scheduled during Christmas Break, Spring Break or SMA student related events. **Please refer to the lesson schedule at the bottom of the 'SMA & MCMA Individual Lesson Package'.**

SMA students are invited to participate in our performance opportunities. To learn more, talk to your MCMA teacher or contact the office at info@mcma.ca.

MCMA will manage the registration process.

Registrations may be accepted throughout the academic year according to availability.

BURSARY PROGRAM

The MCMA Bursary promotes access to music education by providing tuition credits for individual music lessons. These tuition credits will be awarded to deserving students who face social or economic barriers to pursuing music education. For more information on the MCMA Bursary program and to download the application, visit <https://mcma.ca/programs/bursary-program/>.

ABOUT THE MCMA:

The Manitoba Conservatory of Music & Arts is Manitoba's premier independent community music education institution. Founded in 1984 by musicians for musicians, the MCMA enhances Manitoba communities by providing accessibility and excellence in Music Education. The MCMA provides instruction at a level of excellence, whether you are just starting or studying music at an advanced level. All instructors have a Bachelor of Music degree (or higher), and many have active professional performing careers in addition to their teaching studios.
