

FRENCH

Festival du Voyageur week at SMA, winter 2023

À l'Académie Sainte-Marie, nos cours de français offrent aux élèves l'opportunité de communiquer, de lire et d'écrire tout en célébrant la culture française.

At St. Mary's Academy, in all French courses (French Communication and Culture and Advanced French), students learn to communicate orally with fluency, accuracy and confidence. They demonstrate their understanding by reading a variety of texts while also planning and writing cohesive texts to communicate a message. All students demonstrate a general knowledge of both Francophone cultures and the advantages of enhancing their French language skills.

Left to right: Chinanuokum Onyiuke '25, Gabrielle Denis '23, Cleo Marchant '28

"I love Basic French because every student, regardless of their skill level, actively participates and tries their best to speak the language. And, I feel the genuine care from the teachers."

– Chinanuokum Onyiuke '25

"Advanced Placement French has exposed me to multiple Francophone cultures and lifestyles, while also broadening my abilities to connect with others."

– Gabrielle Denis '23

"I enjoy my Advanced French class because it is engaging, and we don't only learn to speak French, but we learn about the culture behind it."

– Cleo Marchant '28
